

ARE YOU A SINGLE PARENT MAJORING IN STEM?

If you...

- Are a single custodial parent who is majoring in a STEM field,
- Have a 2.0 GPA or higher,
- Have a demonstrated financial need, per the FAFSA or WAFSA,

**The Marion Van Nostrand Scholarship may help make
your academic goals a reality.**

The Marion Van Nostrand supports undergraduate, custodial single parents by supporting the full cost of in-state tuition and student fees with an additional \$1000 per year for textbooks, supplies, child care, and other expenses. Recipients will be supported to graduation if they remain in good academic standing and are making progress towards their degrees.

If this describes you, please contact the College of Science and Engineering to learn how to self-nominate for this scholarship. Applications are accepted continuously.
