

# BIOL 496 Professional Work Experience in Biology

## INTERNSHIP EVALUATION

### Section 1. Completed by student

\_\_\_\_\_  
Student Name

\_\_\_\_\_  
Western ID #

BIOL 496

\_\_\_\_\_  
Credits

\_\_\_\_\_  
Quarter

\_\_\_\_\_  
Year

\_\_\_\_\_  
Faculty Mentor

Section 2. Completed by internship supervisor. Please give your candid comments, recommendations and evaluations for the student in response to each of the questions below. You can use the space provided or a separate sheet if desired.

1. Did the student demonstrate responsibility, promptness, flexibility, regularity and other qualities you expect from an employee?
2. Describe the student's working relationships with co-workers on the job.
3. Describe the student's working relationships with yourself or other supervisors.
4. Describe the personal growth, knowledge acquired, and skills gained by the student.
5. Please provide suggestions or recommendations which would enhance this student's potential for employment.

### RECOMMENDED GRADE

- S (Satisfactory)
- U (Unsatisfactory)
- K (Incomplete)
