We know that we can ask for help but for some reason, this pandemic is making us feel like we have to be self-sufficient.

The STEM Community Ambassadors are here for you.*

Find resources and contact information at https://cse.wwu.edu/stem-inclusion-outreach

WWU COVID Student resources available at https://wp.wwu.edu/officeofstudentlife/covid-19-student-assistance/

*more info on next slide
Community and Student Ambassadors

The primary purpose of Community Ambassadors is to improve support for marginalized students, staff, and faculty, though CAs can be a resource for anyone.

Student Ambassadors acts as a liaison between students and their faculty, and the Dean of CSE. SA’s seek to engage in issues around advocacy, equity, and diversity in STEM.

CAs and SAs host community hours for students, staff, and faculty. More information is available at https://cse.wwu.edu/ambassador-program

STEM Inclusion Specialist

Community hours hosted Tuesday and Thursday from 11am - Noon. For zoom link or to schedule another meeting time, email barberrr@wwu.edu
Housing Resources

On Campus

- Fall Priority Application extended through June 1
- Guaranteed housing for incoming students.
- Moving out early does not affect renewal status.
- No penalties for cancelling housing if classes move online or you do not attend in fall 2020.

Off Campus

- Extended protections for renters through June 4.
- Find resources for finding off-campus housing at https://offcampusliving.wwu.edu/
Western's Advising Center is still open:
https://www.wwu.edu/advising/

Western is offering remote tutoring for students:
https://library.wwu.edu/use/tutoring-center/welcome

Western's Student Emergency Fund offers financial support for students affected by the COVID-19 crisis. More information is available at: http://www.finaid.wwu.edu/scholarships/pages/
