CSE EID Committee Minutes

Date: 10/10/18

Attendance: Amiran, Barber Degraaff, Covey, Dahl, Johnson, Lazzell, Lin, Liu, Maxwell, McGowan, Miner, Serrano-Moreno

Absent: Chawla, [Rider]

- Dean Johnson provided the committee with his goals for the year. In particular, he wants to proactively change the climate of the college. He would like to develop a climate survey this year (but that might not be feasible).

- Dean Johnson is also working with the National Center for Women & Information Technology, and some of their programs are likely portable to broader groups. Committee discussed general ideas about supporting climate surveys.

- The committee unanimously approve Kevin Covey as chair of the committee for the year.

- Plan to meet every two weeks, but will re-assess when we decide on the year’s goals.
