

Geology 318 (Structural geology) provides information for the following degree/program outcomes:

	B.A. Geology	B.S. Geology	B.S. Geophysics	GUR
Outcomes	<p>4. The Earth's interior is dynamic and drives plate tectonics</p> <p>7. <i>Graduates have developed their observational, analytical and quantitative skills (field, lab, computer, and classroom)</i></p> <p>8. Graduates can create maps and understand what they tell us about the Earth</p>	<p>4. The Earth's interior is dynamic and drives plate tectonics</p> <p>7. <i>Graduates have developed their observational, analytical and quantitative skills (field, lab, computer, and classroom)</i></p> <p>8. Graduates can create maps and understand what they tell us about the Earth</p> <p>9. Graduates will be able to apply physics, chemistry, and mathematics concepts to the study of Earth</p>	<p>4.
