DIVERSITY, EQUITY AND INCLUSION IN STEM - FEATURING:

Dr. Beronda Montgomery of Michigan State University is this year’s higher-education speaker. Her work focuses on mentoring and retaining students from underrepresented students in STEM. Dr. Montgomery is MSU Foundation Professor of Biochemistry & Molecular Biology and Microbiology & Molecular Genetics.

Dr. Jonte Taylor of Pennsylvania State University is this year’s K-12 speaker. Dr. Taylor is a Professor of Special Education in the Department of Educational Psychology, Counseling and Special Education. His work focuses on the intersections of school/classroom climates and how they affect students with disabilities in STEAM.
